

## PROVISIO

Checks must be made payable to St. John Vianney.

Every reasonable effort has been made to describe each auction package correctly. For packages requiring reservations, guests should contact the donor as soon as possible to arrange a mutually agreeable date. Please carefully note restrictions and expiration dates when placing bids. All items must be picked up by Friday, March 14, 2025 or the item will be forfeited and will be used again to benefit SJV.

All sales are final. No exchanges, transfers, or refunds on packages except where specified. There will be no cash given for the value of any package. Package values have been provided by donors and are not guaranteed for tax or any other purposes. The amount you pay above the value may be tax deductible as a charitable contribution. Please consult your tax advisor to determine the deductible portion of any winning bids. For reasons of confidentiality, SJV will not disclose the name of a winning bidder.
